ARBITRATION ON YOUR TERMS CELEBRATING YOUR SKILLS AND ISSUE # 250

Arbitration in America is noted to go as far back as the 1800's in the Securities and Labor Union fields. The Industrial revolution in the 1920's gave us the first major Arbitration laws which were precursors to the now known Federal Arbitration Act (the FAA). Fortunately, you don't need to know all that to compete in our Holiday edition of 'Connect the Arbitration Terms'. Just match the term or concept in Column 1 to the term or concept in Column 2 to test your skill! Check back next edition to see how you did but remember all decisions are 'Final & Binding'! Also known as '*Artistic License*' ~
